

# The Burgers Program Senior Summer Scholarships

## Burgers Program for Fluid Dynamics University of Maryland

Summer 2020

The Burgers Program for Fluid Dynamics is pleased to offer ten-week research scholarships for University of Maryland rising seniors from the College of Computer, Mathematical and Natural Sciences and/or the A. James Clark School of Engineering for the summer of 2020. Two scholarship awards are anticipated. To be eligible for the scholarship, each student must arrange a summer-long program of research with a Burgers Program faculty mentor (see faculty list at <http://burgers.umd.edu/faculty.html>) from one of the above-mentioned colleges. Each student will receive \$6,000 for the 10-week period of the scholarship. An additional \$500 for supplies will also be made available if needed for the research project.

Students who are interested in this opportunity for research in fluid mechanics should submit their application, consisting of the following materials, to Prof. James Duncan via email ([duncan@umd.edu](mailto:duncan@umd.edu)) by April 15, 2020.

1. Personal information: Name, major, college, and email address.
2. A one-page description of the proposed research project.
3. A University of Maryland grade transcript.
4. A letter of reference from one of your classroom professors from a course in an area related to your proposed research.
5. A letter of support from your proposed faculty mentor.
